### **PLANNING FUNDS/IOWA LEGISLATIVE FUNDS DISCUSSION**

Mr. Beilke-McCallum briefly discussed the approved Iowa Legislative appropriation and asked that if members of the Committee had any suggestions on what should be done with those funds in the coming year, to please let him know. Two ideas that were mentioned as possibilities were to pair the legislative funds with CoC planning funds and the other idea was to use the funds to provide regional training on the Iowa Quality Standards which were developed by the State Public Policy Group.

### **REALLOCATION DISCUSSION**

Mr. Beilke-McCallum mentioned the NOFA has yet to come out, but he is hoping it will be in the next few weeks. Mr. Beilke-McCallum and Mr. Lauterbach both agreed that it would be worth looking into seeing if there is enough money for a new project through reallocation either for the coming year or the year after. There was discussion on what possibilities there are to reallocate renew project unspent funds, but Mr. Beilke-McCallum reminded everyone that all of this will rely heavily on what is included in the NOFA
